In re Application of  
Timothy B. Rhyne, et al  
Application No. 10/618,924  
Filed: July 14, 2003  
Attorney Docket No. P50-0111

ON PETITION

This is a decision on the petition, filed April 28, 2005, to revive the above-identified application under the provisions of 37 CFR 1.137(b).

There is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. However, in accordance with 37 CFR 1.34(a), the signature of Tim F. Williams appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he is authorized to represent the particular party on whose behalf he acts. A courtesy copy of this decision is being mailed to petitioner. However, if Mr. Williams desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted. All future correspondence regarding this application file will be directed solely to the address of record.

The above-identified application became abandoned for failure to reply in a timely manner to the non-final Office action mailed August 12, 2004. A Notice of Abandonment was mailed on March 24, 2005. In response, on April 28, 2005, the present petition was filed.

37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. While it is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 103 (October 21, 1997). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

The petition is **GRANTED**.

Telephone inquiries concerning this decision may be directed to the undersigned at (571) 272-3204. All other inquiries regarding this application should be directed to the Technology Center.

The application is being referred to Technology Center AU 3617 for consideration of the amendment filed April 28, 2005.
